

— IMPROVE —

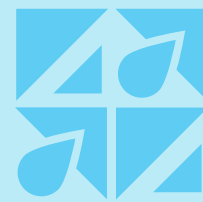

REVENUE POTENTIAL & BUILDING ASSET VALUE

RenewAire ERVs provide **energy-efficient, cost-effective ventilation** that not only enhances indoor air quality, but also lowers capital and operating costs.

— RENEWAIRE EVERYWHERE —

RenewAire ERVs can be applied everywhere across all commercial and residential buildings, and everything in between.

Our technology excels in every geographic location, every climate and every size project.

GENERATE LONG-TERM HVAC ENERGY SAVINGS

by reducing energy loads every year with RenewAire ERVs.

RECOUP COSTS QUICKLY

with RenewAire's low-priced units, short payback period, unparalleled reliability and industry-best warranty.

ATTAIN ENERGY-EFFICIENCY REBATES

by reducing consumption of HVAC energy.

INCREASE BUILDING LONGEVITY

by preserving structural integrity via curtailing the growth of airborne microbiological organisms.

GROW MONTHLY LEASE POTENTIAL

by furthering occupant health, cognitive function, productivity, comfort and well-being with enhanced **indoor air quality**.

**LOWER
CAPITAL COSTS**
by downsizing HVAC equipment.
